### Kit 115 - VerTmax 50ft / 15m Kit

NSN: 2090-01-588-2769

#### Description:

Kit 115 is the VerTmax 50ft / 15m telescopic pneumatic pole kit which delivers a Grappling Hook and Ascending Ladder to a height of up to 50ft / 15m. The VerTmax is designed for Urban Method of Entry and Ship Boarding. Manufactured from 6061-T6 Black Anodized Aircraft Aluminium, the VerTmax is light-weight, compact and corrosion resistant.

Each kit comes with two Titanium Grappling Hooks. The Ledger Style Grappling Hook is designed to attach to ledges, parapets, or window sills. The Pipe Style Grappling Hook is designed to attach to pipe railings. A 50ft / 15m Tactical Ladder is supplied with this kit. The Tactical Ladder is constructed of nylon sides and fiberglass rungs which are covered with non-slip neoprene.

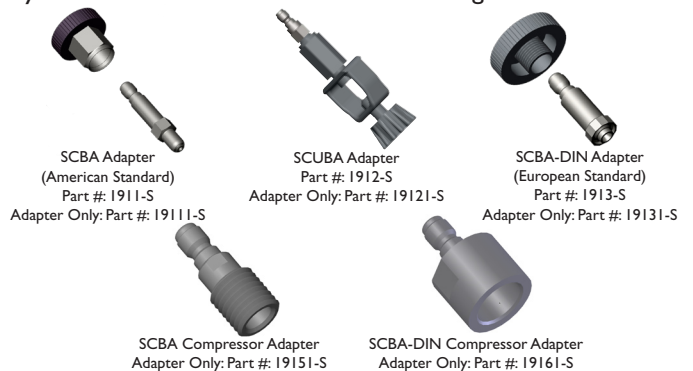

The System Reservoir has a service pressure of 2,000 psi / 140 BAR. One charge of air can lift the pole several times. The VerTmax Filler Hose facilitates charging the System Reservoir with compressed air from an Air Compressor, SCBA Tank, or SCUBA Tank. Optional Accessories include the VerTmax A/V Surveillance System and the VerTmax Buoyancy Collar.

#### Shipping Dimensions:
